EDUCATION

University of Sri Jayewardenepura
B.Sc. (Honours) in Statistics (**Reading**)
Department of Statistics

May 2023 - Present
CGPA: 3.36/4.00

SKILLS

Programming	R, Python, SQL
R Packages	tidyverse, readr, caret, shiny, forecast
Software & Tools	Minitab, EViews, Microsoft Office, L ^A T _E X
Data Visualization Tools	R (ggplot2, plotly, flexdashboard)
Statistics Coursework	Probability and Distribution Theory I & II, Data Analysis I & II, Statistical Communication, Sampling Techniques, Design and Analysis of Experiments, Time Series Analysis, Multivariate Statistical Methods, Discrete & Categorical Data Analysis, Advanced Design of Experiments, Advanced Distribution Theory, Essential Skills in Statistics, Statistical Quality Assurance, Medical Statistics, Introduction to Actuarial Statistics, Stochastic Processes, Generalized Linear and Non-Linear Models, Spatial Data Analysis
Mathematics Coursework	Differential Equations, Complex Numbers and Vectors, Linear Algebra I & II, Calculus, Vector Calculus, Numerical Methods
Economics Coursework	Principles of Microeconomics, Principles of Macroeconomics, Environmental Economics, Intermediate Microeconomics, Intermediate Macroeconomics

WORK EXPERIENCE

Transfer Operations & Booking Coordinator <i>T2 Transfer, Paris, France (Remote)</i>	December 2022 - April 2023
Managed airport transfer bookings, confirmed reservations via email, and maintained daily schedules. Monitored flight updates and communicated changes to ensure smooth coordination between customers, drivers, and the operations team.	

PROJECTS

New Zealand Health & Demographics Dashboard	March 2026
- Developed an interactive dashboard using R Shiny to analyze health, epidemiology, and demographic trends in New Zealand. - Visualized population trends, fertility rates, mortality rates, age distribution, and key health indicators. View Dashboard	
QA & Performance Dashboard	January 2026
- Built an interactive dashboard using R Shiny to monitor QA metrics and process performance. - Implemented $\bar{X}$ and R control charts to assess process stability and variation. - Enabled data upload and exportable visual reports. View Dashboard	

Analysis of Factors Impacting Export Performance in Sri Lanka

Unpublished Group Research Project

October 2025

- Analyzed monthly data (2007–2024) to identify key drivers of export performance in Sri Lanka.
- Applied multiple linear regression to evaluate the impact of imports, exchange rate, and crude oil prices on export growth. View Research Report

Mini Project: Applications of Bivariate Distribution & Order Statistics

- Conducted a literature-based study on bivariate distributions and order statistics using published journal articles.
- Reviewed applications in rainfall–temperature modeling and extreme value analysis (GEV).
- Proposed a novel conceptual application of order statistics to optimize grocery shopping efficiency. View Report

CERTIFICATES

Certificate of Completion – C Programming for Beginners

June 2023

- Completed C Programming for Beginners course at Great Learning Academy. View Certificate

Certificate in English – Intermediate Level

July 2022

- Completed Intermediate Level English course at BCI Campus, Negombo. View Certificate

ACHIEVEMENTS

Champion – Inter-Unit Carol Competition (Team Event)

2023

- Vox Nathalista Carol Service & Competition, SLUCSM, Colombo Region. View Certificate
